LED Lamp

HANECO

MR16 Retrofit Lamp

Ready for Modern Energy Standards

Haneco flicker-free MR16 LED retrofit lamps are designed to replace traditional MR16 halogen lamps, offering a choice of 3 colour temperatures to suit a wide range of residential and commercial applications.

Product Code	B6WTRI-MR16
KEY INFORMATION	
Watts	6W
Lumen Output	600lm
Dimmable	No
Product Colour	White
Warranty	2yr
IP Rating	IP20
PHOTOMETRICS	
Efficacy	100±10%lm/W
CCT	3000K 4000K 6500K
CRI	≥80
SDCM	<6 (@3000K / 6500K)
Beam Angle	180°±25%
ELECTRICAL	
Driver	Linear
Supply Input	240V
Power Factor	≥0.55
Operational Lifetime	20,000hr
CONSTRUCTION	
Housing	Plastic +Al
Optics	PC diffuser, AL+PA Heatsink
Base Type	GU5.3
Dimensions	Ø50 x 55mm
Operating Ambient Temp.	Ta 25°C
Electrical Classification	Class 2

DIMENSIONS
