All features in a slimline package.

AURORA TRITONE is a low-profile, dimmable downlight ideal for shallow ceiling spaces. Tritone colour selection allows easy adjustment of colour temperature and with a choice of multiple finishes it will fit most applications.

### Features

- Tritone colour changeable
- Flicker free dimmable driver
- IC-4 rating (ta 25°C)
- IP44 rating
- Low profile design

### Benefits

- Provides the choice of light hues from a single luminaire
- Adjustable brightness to improve comfort
- Allows for covered and abutted installations
- Suitable for wet rooms such as bathrooms & laundries
- Excellent for tight installations
