SPECIFICATIONS			
Body Material:	Diecast Aluminium	Driver:	Integral
Diffuser	Polycarbonate	Input:	100-240Vac 50/60Hz
Material:		Electrical	Class I
Body colour:	White (RAL9003)	Classification:	
IK Rating:	IK08	Power Factor:	> 0.9
IP Rating:	IP65	Protection:	Overload / Short Circuit
Beam Angle:	120°	Lifespan:	>102,000hr @Ta45° (L80B50)*
CRI:	> 80	Operating	-30 to 45°C
SDCM:	≤ 6	Temperature:	
Warranty:	5 years	Dimming:	0-10V Dimmable (DALI Optional)
Flicker-Free:	Yes		
Connection Type:	1.5m Flex without plug		
*Based on rated LED design life			

DIMENSIONS (mm)	ACCESSORIES	PRODUCT CODE
	Surface Mount Box	BENZINAG3-SBOX
	Recessed Mount Bracket	BENZINAG3-RCBOX
	Flanged Mount Bracket	BENZINAG3-FLBKT
	Glass Cover	BENZINAG3-GLCOVER
	N Bracket	BENZINAG3-PNBOX
	Remote Control of Sensor	HIGHBAY-REMOTE
	Dali to 0/1-10V Signal Convertor IP65	HANECO-DC
	Microwave Sensor	SKYLUX-G5/EV-MS

BENZINA^{G3}

Versatile and compact.

BENZINA^{G3} is the next evolution in canopy lighting, combining clean architectural lines with high-performance output. Designed for versatility, it features 4 power selectable upto 150W and 200W power options, allowing the higher wattage setting to reduce fixture quantities in high-mounting applications and help lower overall installation costs.

Engineered for VERSATILE LIGHTING

BENZINA^{G3} is the next evolution in canopy lighting, combining clean architectural lines with outstanding performance for modern commercial and industrial applications. Designed for versatility, it features 4 power-selectable up to 150W and 200W options, allowing the higher wattage setting to reduce fixture quantities in higher mounting applications and help lower overall installation costs.

An optional IP65 rated DALI converter enables seamless system integration, while the fitting can also be upgraded with a microwave motion sensor for smarter, energy-efficient operation.

Ideal for service stations, warehouses, factories, sheds, and other large commercial or industrial spaces, BENZINA G3 is backed by a 5-year warranty.

- ✓ **Features**

 - Power switchable
 - IP65 and IK08 rating
 - High ambient temperature rating (>40°C)
 - Low profile design
 - Diecast aluminium construction
 - Versatile mounting options
 - Optional DALI converter accessory
 - Optional plug in motion sensor
- Benefits**

 - Tailor the luminaire to meet the application requirements
 - Ideal for outdoor applications
 - Long lasting in hot environments
 - Suitable for very shallow ceiling spaces
 - Improved thermal characteristics for heavy duty applications
 - Expand the lighting possibilities with different mounting configurations
 - Suitable for very shallow ceiling spaces
 - Retrofittable option to assist in energy usage or security lighting

Versatile and Compact

- ✓ **Power Switchable**
- Adjust the light to suit the requirements
 - Reduced stock complexity
 - Improved energy efficiency

Kept it real TOUGH

- ✓ **Built for Harsh Environments**
- IP65 weather protection against dust and water ingress
 - IK08 impact resistance for durability
 - Robust construction for long-term outdoor performance

Benzina^{G3} is built for demanding environments, BENZINA G3 is rated IP65 and IK08, with a heavy duty powder-coated aluminium body for durability, efficient heat dissipation, and long term reliability.

- ✓ **Optional Plug-in Sensor**
- Optional accessories include the SKYLUX-G5/EV-MS microwave motion sensor with up to 12m detection range and corridor function, the Highbay-Remote for sensor reprogramming, and the BENZINAG3-SBOX surface mount box for added installation flexibility.

Modern... DUAL LIGHTING OPTIONS.

- ✓ **4000K / 5000K models for your selection**
- Choose between multiple colour temperatures to suit different environments and project specifications*.

4000K

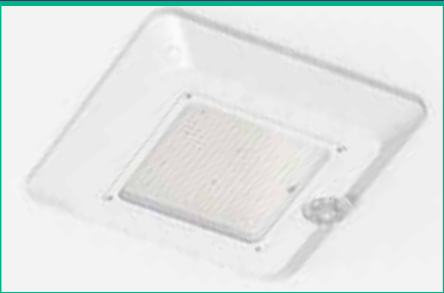

5000K

- ✓ **Multiple Mounting Methods**
- Expand the lighting.... configurations and applications
