Thanks for choosing our **BENZINA^{G3} Accessories** products.
We strongly recommend that you read this manual carefully before installation.

BENZINAG3-PNBOX N bracket installation guide

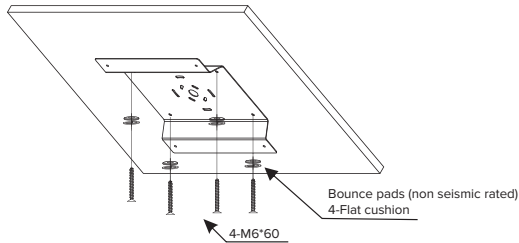

- 1** Switch off the main power.

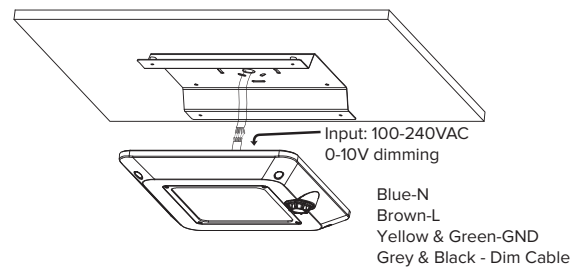

- 2** Luminaire bracket mounting hole position.

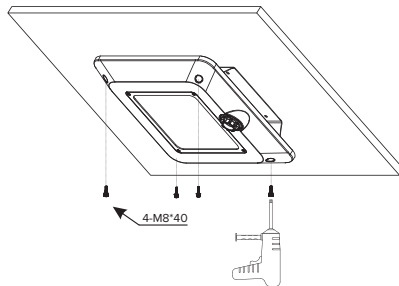

- 3** First align the mounting brackets with the holes in the ceiling, then secure the screws with a screwdriver.

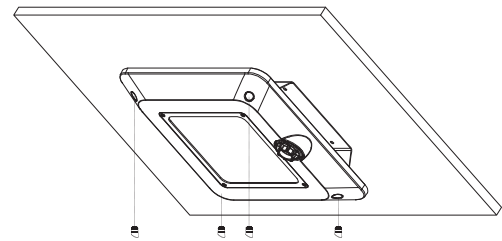

- 4** Connecting the input cable.

- 5** Fix the lamp body to the bracket with screws.

- 6** Install 4 PCS rubber plugs into holes.

- 7** Finish the installation and switch-on main power.
