

DETAIL^{NOVA}

Residential Downlights

Adjustable moisture-proof feature lighting.

The DETAIL NOVA is a robust and feature packed downlight for outdoor and indoor applications around the home courtesy of IP65 rating. Complete with dimmable tritone technology it can angle its powerful lighting capability to be used as a feature light, or as a functional luminaire.

Features

- Tritone colour selectable
- 25° adjustable downlights
- High colour rendering index (CRI>90)
- Flicker free driver
- Excellent feature lighting option
- IP65 rating
- IC-4 rating
- Dimmable Driver

Benefits

- Provides the choice of light hues from a single luminaire
- Increased versatility to direct light where it is required
- True colour definition to highlight natural colour
- Increase productivity and lowers eye strain
- Ideal for accent lighting
- Ideal for both indoor and outdoor applications
- Allows for covered and abutted installations
- Adjustable brightness to improve comfort
