

DETAIL

Residential Downlights

Adjustable moisture-proof feature lighting.

DETAIL is a dimmable, adjustable LED downlight allowing for precision aiming. The glare reducing optical lens and IP65 rating, makes it the best choice for high end bathrooms and outdoor spaces.

Features

- Tritone colour changeable
- Dimmable Driver
- IC-4 rating (ta 25 °C)
- Painted aluminium housing
- Exceptional performance
- High ambient temperature rating (> 40 °C)

Benefits

- Provides the choice of light hues from a single luminaire
- Adjustable brightness to improve comfort
- Allows for covered and abutted installations
- Enhances the premium look and feel
- High efficacy rating to promote energy saving
- Long lasting in hot environments
