

DULAR

Residential Downlights

For comfortable, low glare environments.

DULAR offers an all-in-one solution. Complete with built-in dimmable driver, DULAR also has a recessed design which offers low glare output that enhances visual comfort.

Features

- Tritone colour changeable
- Dimmable Driver
- IC-4 rating (ta 25 °C)
- Exceptional performance
- High Colour Rendering Index (CRI)

Benefits

- Provides the choice of light hues from a single luminaire
- Adjustable brightness to improve comfort
- Allows for covered and abutted installations
- High efficiency rating to promote energy saving
- True colour definition to highlight natural colour
