**SUPPLIER DECLARATION OF CONFORMITY (SDoC)****Declaration of Conformance**

We Haneco Lighting Australia Pty Ltd declare under our sole responsibility that:

- We are satisfied the product mentioned above is in conformity with the relevant clauses of the above-mentioned standard(s) or other normative document(s) and have determined that it:
  - Complies with the essential safety characteristics and requirements for electrical equipment set out in AS/NZS 3820; and
  - Complies with the requirements of the relevant ACMA Standards made under the Radiocommunications Act 1992 and the Telecommunications Act 1997.
- All product supplied under this declaration will be identical to the product identified above and will not differ in terms of its electrical safety and performance characteristics and material composition.
- Cords, plugs and connectors or other level 3 components permanently attached to the equipment have current certification for Australia and New Zealand. Level 2 components permanently attached to the equipment have a current compliance folder.
- Where this product is sold under a different trade or brand name than that nominated on certification it is the same product cited on the certificate.
- The contents of this form are true and correct.

I am authorised to make this declaration on behalf of the Responsible Supplier.
