

IKON

Residential Downlight

Greenstar compliant meets architectural quality.

IKON is a compact, recessed downlight designed for performance and compliance. With $UGR < 19$, $CRI > 90$, $SDCM < 3$, and a 40mm profile with remote driver, it delivers consistent, comfortable lighting for Greenstar projects and shallow ceiling spaces.

Features

- Glare-free illumination with $UGR < 19$
- High Colour Rendering Index (CRI)
- Dual colour changeable
- IC-4 rating (ta 25°C)
- IP54 rating (from below)
- Low profile design
- Dimmable driver
- Modernised design

Benefits

- Excellent lighting option for indoor work places;
- True colour definition to highlight natural colour;
- Provides the choice of light hues from a single luminaire;
- Allows for covered and abutted installations;
- Suitable for wet rooms such as bathrooms & laundries
- Suitable for very shallow ceiling spaces;
- Adjustable brightness to improve comfort;
- Provides high end appearance;
