# Hesperus™ Series

UNISON™ 240V SWITCHES AND POWERPOINTS

## Inspirational **design**

KASTA Technologies has created a series of products that embody the essence of design, attention to detail, cutting-edge technology and innovation.

The Hesperus™ Series of Unison™ 240V switches and powerpoints offer a contemporary design that was created to be adaptable to suit changing interior design and aesthetic trends.

KEY COLLABORATOR:  
*Piero Quintiliani - PQ Design Studio, Pisa, Milano ITALY*

*Instantly **enhance**  
your interior spaces*

## Unison™ switches

The Hesperus™ Series of Unison™ switches feature a modern, slim design with a luxury glass-look finish. These switches will instantly upgrade interior spaces and have the option of being simply retrofit to existing wall mount accessories.

*Form and function comes together to deliver  
a premium switch solution.*

*Power-up in style*

## Unison™ powerpoints

The Hesperus™ Series of Unison™ 10A powerpoints also feature a modern, slim design with a luxury glass-look finish that's completed with complementary gloss-finish sockets. These powerpoints are offered in a range of configurations and include many design features to enhance aesthetics, ease of installation and ensure safety.

# Unison™ powerpoints

Choice of 5 configurations

*Premium powerpoints that offer convenient  
installation flexibility and quality componentry*

*Add **push buttons** or  
**data mechs** with ease*

## Unison™ plate solutions

KASTA offers a range of mechanisms that easily install into our Hesperus™ series of luxurious wall plates.

# Unison™ wall plates

includes grid plate and cover

# Unison™ mechanisms

Whether charging your mobile devices, connecting your tv aerial or simply changing from traditional rocker switching to push button interaction, we've made it simple to use Hesperus™ switch plates throughout the home.

## *data and communications*

## *push buttons*

Push button mechanisms with blue LED indicator, fits up to 6 Gang in the Hesperus™ Unison™ switch plate.
