MATITA^PLUS

Bollard Lights

POWER — Switchable Modes
TRITONE — Colour Selectable
IP66 — Ingress Protection Rating
IK08 — Impact Rating
140° — Beam Angle
60,000hr — Projected Lifespan
5yr — Warranty

Elegant and Functional

The **MATITA^PLUS** bollard leads the way with a low glare louvered optic. Its IP66 rating makes it ideal for a wide range of landscape applications such as driveways, paths, car parks and gardens.

Features

- Tritone colour changeable
- Switchable power output
- IP66 weather protection and IK08 impact resistance
- Diecast aluminium body
- Extensive model range
- High ambient temperature rating (>40°C)

Benefits

- Provides the choice of light hues from a single luminaire
- Adjustable output to match project requirements
- Engineered for dependable performance in outdoor conditions
- High quality material used for excellent thermals
- Covers a diverse range of applications
- Long lasting in hot environments
