

SKYLUX^{EVO}

Highbays

Sleek and powerful.

SKYLUX EVO is a power switchable LED highbay, suitable for many commercial and industrial applications with high ceilings, and a need for high visibility and effective productivity.

Features

- Flicker-free driver
- Power switchable
- Exceptional performance
- Diecast aluminium construction
- Integrated driver with cable and plug
- Various accessories available
- Easily adjustable

Benefits

- Increase productivity and lowers eye strain
- Adjust the light to suit the requirements
- High efficacy rating to promote energy saving
- Improved thermal characteristics for heavy duty applications
- Provides quick and easy installation
- Tailor the luminaire to meet the application requirements
- Simple installation and adjustability
