SKYLUX-LN-STBKT installation guide

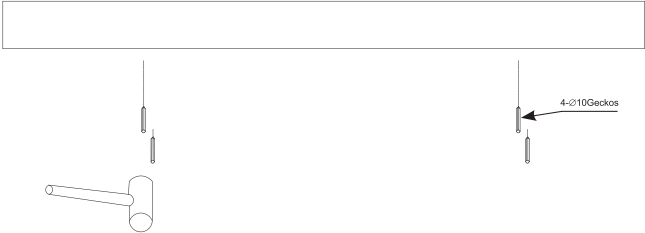

1

Switch off the main power.

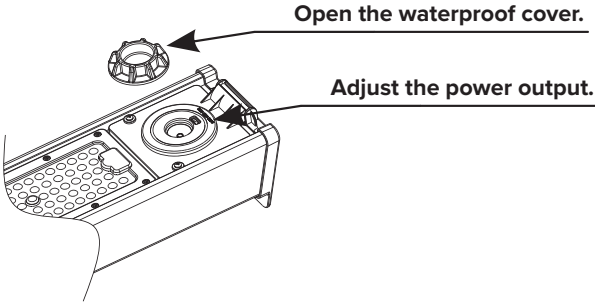

3

Insert anchor plugs (not supplied) into the holes.

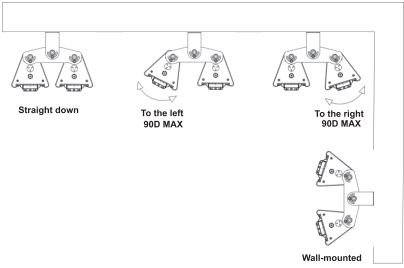

5

Adjust power output.

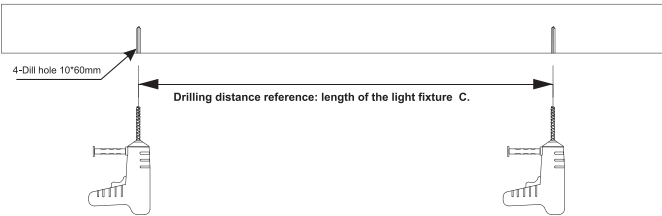

7

Illustration of installation and adjustment angles.

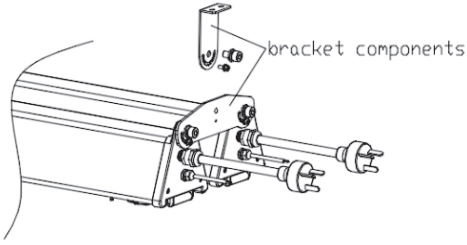

2

Use an electric drill to create four holes in the ceiling.

4

Use the tools to attach the bracket components to the lamps.

6

Fix the lamp body to the ceiling with screws. Connect to power supply and connect dimming wires (if applicable).
