

SUSPENSION KIT

SKYLUX-LN-WSKIT

SAP CODE: 2002765

SUSPENSION KIT SUIT SKYLUX LINEAR

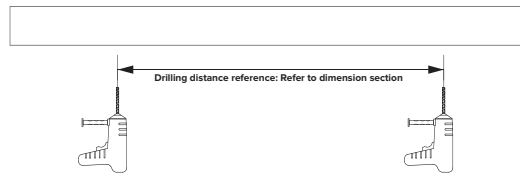

Material: Steel

Weight: 0.073 kg

Fixings: Included

Dimension: 1500mm suspension

Installations (lighting fitting not included)

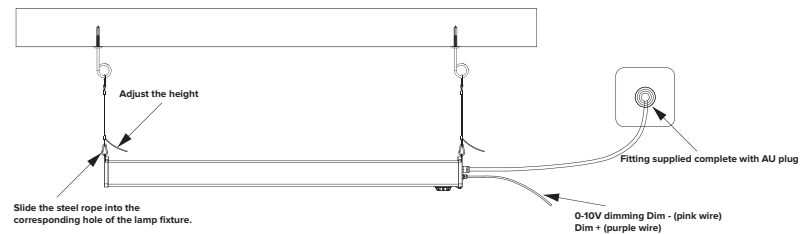

1. Use an electric drill to create required holes in the ceiling.

2. Insert anchor plugs (not supplied) into the holes.

3. As shown in the diagram, the hook is screwed into the expansion screw.

4. Attach suspension cable to installed bolts and them attach to fitting.
Adjust suspension height as required.

Connect to power supply and connect dimming wires (if applicable).
