The TERRA X IK10 batten is engineered for environments where toughness and performance matter. Its LM6-grade aluminium body, with low copper content, ensures superior corrosion resistance in coastal, industrial, and high-moisture settings. With an IK10 impact rating, it withstands knocks and heavy use without compromise. Add 1–100% DALI-2 dimming for seamless control, energy efficiency, and smart building integration.
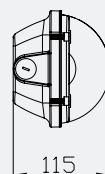

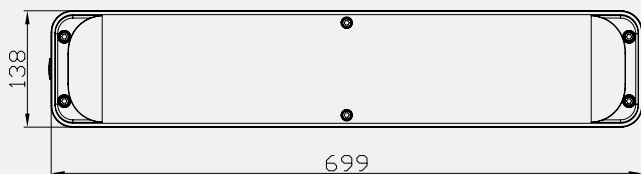

Available in 600mm and 1200mm with 3CCT switching, TERRA X delivers flexible, durable, and intelligent lighting. Built for the harshest conditions.

Product Specification

Product code	TERRAEX06-DALI	TERRAEX12-DALI
SAP code	4001359	4001360
Current	0.16A	0.22A
Inrush Current	39.4A	52.8A
Flicker Free	Yes	
IP Rating	IP66	
IK Rating	IK10	
Colour Temperature	3000K, 4000K, 5000K	
Beam Angle	120°	
Nominal Voltage/ Frequency	220-240Vac, 50/60Hz	
Power Factor	>0.9	
Dimming Technology	DALI 2.0 1 to 100% Dimming range	
Warranty	5 Years
